COLEGIO NURYANA

Year 6's trip to meet pen-pals from Colegio Nuryana, Tenerife in St James' Park was a huge success. Miss Bayon has created links with Colegio Nuryana over the last few years which has involved our children writing to each other and sharing messages and songs at Christmas. We are delighted to have this international link to support learning about cultures and languages around the world. Muy Bien!

WESTMINSTER MILE

The [Vitality Westminster Mile](http://www.vitalitywestminstermile.co.uk) takes place on Saturday 26th May. Entry is free for Primary school children and runners get a medal and a goody bag. In addition, there is the Vitality Wellness festival with loads of fun activities on the day! Register directly at: www.vitalitywestminstermile.co.uk and let us know if you take part!

ART ACROSS THE AGES

Pupils in Reception and Year 5 are working in collaboration to produce a piece of art based on Aboriginal art. Year 5 have been involved in a 'Dreamtime Tales' project with Cadogan Hall which has inspired this project between Early Years and Key Stage 2. The results will be on display next term!

ANGLO-SAXONS

Year 3 are participating in a fascinating Anglo-Saxon project this term. During their first session, the children had the opportunity to try on replica Anglo-Saxon armour and a replica of the Sutton Hoo Helmet! The project will culminate in a visit to Westminster Abbey where they will see Edward the Confessor's Anointing Spoon, crown, and the Coronation Chair.

PEOPLE WHO HELP US

Children in Early Years have been learning more about 'People Who Help Us' this term. The children have been learning more about different religious leaders and people who help us in our school. We are looking forward to meeting Police Officers next week and Reception Class will be visiting people who help us in businesses in our local area.
