Colour Raffle Donation

Christmas Fair

Christmas Movie Night

CHILDREN IN NEED

Almost £100 has been raised so far! Thankyou to our very generous St Matthew's Family. Your donations make so much difference to so many children.

PTA

Thank you to the PTA who are very busy planning some wonderful events for this term. We'd also like to thank them for funding the amazing trip to Lambeth Palace, which Year 1&2 enjoyed so much!

BELONGING

We are sadly saying goodbye to Father Philip, as he retires at the end of this month after thirty wonderful years. His contribution, love and support of St Matthew's School have been nothing short of outstanding and he will be greatly missed by us all. Father Philip will be moving to a church in Chalk Farm and it gives us great comfort that he will be close.

BELIEVING

On Wednesday we had a very special service at church. Eight of our pupils made their First Communion, supported by Father Philip and Father John Pearson-Hicks. It was wonderful! Huge congratulations!

ACHIEVING

We've enjoyed a wonderful week celebrating Black History. Each class has been researching different amazing people and also sharing their knowledge of special people who've made amazing contributions! Years 1&2 learned about Gladys West, who was an incredible American mathematician. She calculated the precise mathematical models of the Earth's shape, known as the geoid, using satellite data, which made GPS possible.

THANK YOU

The staff at St Matthew's wanted to say a huge thank you to our wonderful families who sent in so many warm and kind messages about our very special Pastoral Assistant, Mr Keelan Shorten. Your thoughts and prayers are very much appreciated.

THE POWER OF GOOD TREE

Our beautiful Tree of Memories has now become The Power of Good Tree. Little red hearts are blossoming with our thoughts and messages of how the power of good can impact our lives so positively.
