Dear Parents/Carers

St Matthew's Consultation for a New Proposal
2 Year-Old Provision at St Matthew's Primary School

We are very excited to share that we are planning to extend our provision to two-year olds from Monday 23rd February 2026.

As we informed you earlier this year, this addition would create, initially, up to five places for two-year-olds, helping to meet the growing demand for these spaces in our local area.

At this point we would really like to gauge the interest of our parents/carers.

Our new 2 year-old provision would offer another convenient, high-quality option in the heart of our community, supporting more families to access early education within a school setting close to home or work.

I will be sending more details, including funding, shortly.

Please respond by email to the school office, if you would like to register your interest in your two-year old/s attending St Matthew's School Nursery.

Best wishes
