BELONGING

We are so excited about our upcoming International Day on Thursday 18th July, where we can celebrate the many countries, languages, religions and traditions represented by our special St Matthew's family.

BELIEVING

Four of our Nursery children have shown such self-belief and they have been awarded their gold certificates. Our congratulations go to Timur, Adam, Wajid and Ace!

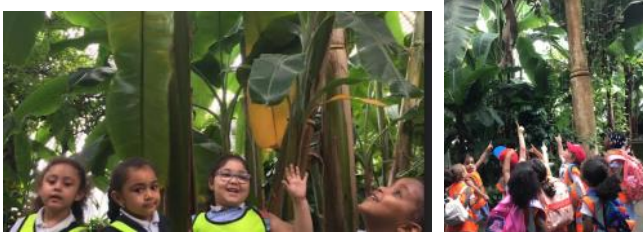

ACHIEVING

Year 4 had a wonderful trip to Westminster School for an Enrichment Afternoon. They took part in a variety of activities including science, Spanish, maths, climbing and football. They have been invited back to explore more subjects later in the term.

KEW GARDENS TRIP

Our Nursery and Reception children had an amazing trip to the beautiful Kew Gardens on Wednesday. They had such a wonderful educational experience with the many trees and flowers from around the globe in the vast gardens and huge greenhouses.
