Learning in Early Years

Our Nursery children have been working so hard to develop their social, communication and physical skills through a selection of creative activities.

Scholastic Summer Book Fair

We're very excited about our Summer Book Fair. This will open on Friday 12th June from 3.30 until 4pm in the school lobby. The more books we sell, the more commission we make which we can then spend on books for the children. The last day will be Thursday 18th June. We hope to see you all there.

Thankyou Tesco!

At the end of last term we had a fantastically generous donation of fruit and juice from our two local Tesco shops. We'd like to say a huge thank you to Saint John Okwabi, Simone Fernandez, Saro and Thiva. They delivered mouthwatering strawberries, fabulous bananas and deliciously sweet and crunchy apples. The children really enjoyed this extra fruit boost!

Thankyou Mother's Union

We'd like to say a heartfelt thankyou to the Mother's Union for their incredibly kind donation of paper. It took them two trips to wheel it all over to school. It is hugely appreciated. Thank you!

The Benefits of Fruit

Fruits are nature's vitamin capsules, providing children with a diverse range of essential vitamins. From vitamin C in oranges and strawberries to vitamin A in mangoes and apricots, incorporating a variety of fruits into a child's diet supports overall growth, immune system function, and vision.
