## Congratulations Year 1 and Year 4

We're very proud of our Year 1 and Year 4 pupils who worked so hard to show off all their progress in the Phonics Screening Check (Year 1) and the Multiplication Tables Check (Year 4). Well done, everyone!

## Sayers Croft

Our Year 5 pupils had a wonderful time at Sayers Croft. Their activities included: a woods' compass challenge where they explored different routes, shelter building, were given compasses and had to explore different routes, shelter building where they created a shelter that could withstand different types of weather and tested this by pouring water over their shelters whilst their friends were inside, a two-hour stream study where they had the opportunity to review their geography unit on rivers and took samples of the river to see how polluted it was, made clay pots with the clay found in the river ending with an amazing disco!

## Scholastic Summer Book Fair

We're very excited about our Summer Book Fair. It opened today 3.30 until 4pm in the school lobby. The more books we sell, the more commission we make which we can then spend on books for the children. The last day will be Thursday 18th June. We hope to see you all there.

## Early Years Trip

The Early Years spent Wednesday exploring the Horniman Butterfly Museum and Gardens. This fabulous trip allowed them to really consolidate their learning about animals and plants in science. They also had a fabulous time in the butterfly house. We'd also like to say a huge thank you to the families who accompanied this trip. We really appreciate your support.

## Cooking with Miss Brady

Year 4&5 pupils have been baking the most delicious cookies! The children followed their recipes very carefully, including all the hygiene and safety rules. The whole school could smell the delicious aroma of the Sprinkle Cookies.
