ACHIEVING

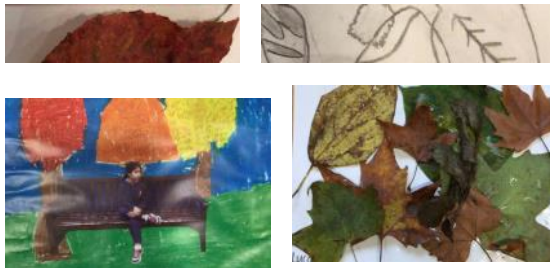

Over the last two weeks, we've congratulated even more pupils for being awarded their gold behaviour certificates! What a wonderful achievement!

BELONGING

Year 1 pupils have been learning about both the life of Queen Elizabeth II and famous landmarks in Westminster. They really enjoyed their Kings and Queens' Day and really felt they belonged to our royal families.

BELIEVING

Our children have such wonderful self-belief; they all rose to the challenge of our special Art Day!

NATURAL HISTORY MUSEUM

Year 2 had an amazing trip where they learned so much about animals and their life cycles. They met an enormous bear!

SCIENCE MUSEUM

Year 5 watched some fabulous experiments which further explored their science learning about forces.

ATTENDANCE

There is now new statutory guidance from the DfE for schools around attendance this year. If attendance falls below 90%, this is looked into and a penalty notice could be issued without warning. This is 5 days of absence within 10 weeks. These notices are not issued by school but by the local authority.
