Dear Families,

Re: OFSTED Inspection Report

We are delighted to attach our OFSTED Inspection Report following their visit in July 2023.

Without exception, school has been judged to be GOOD. This reflects the hard work and dedication of staff, and the partnership we have with you, which is enabling our children to feel safe, cared for and in receipt of a 'broad and interesting' curriculum. We were especially pleased to read, *"Pupils regularly hear strong messages about the school's values of belonging, believing and achieving during collective worship. Pupils said that this is a school that teaches respect and values everyone."*

Please do read it through carefully, and should you have any questions, speak to a member of staff.

Yours sincerely,

S Maltese
