

## **Speech and language support**

First of all, let us look at the definition of 'speech' and 'language'.

Let us think about early childhood language development.

<https://youtu.be/2qwkjwHgHKA> let's start with a few simple ideas

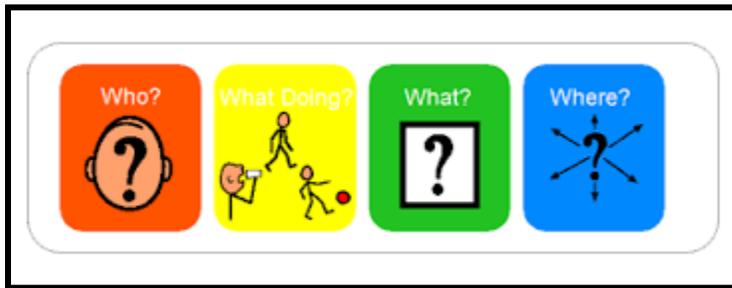

### **What do you do?**

Some good ideas:

Cooking, walking, reading, playing games, joint chores, role play, board games

As children get older, a really helpful strategy used by schools is colourful semantics, (Please find the attached PowerPoint shared)
